Statewide Science Fair for High School Students @ MIT

Parking is Limited!

Please note, as always, that there is limited parking in the vicinity of MIT and the Johnson Athletics Center (location of the Fair). We encourage you to use public transportation or carpool. However, if you drive, you may be lucky and find a parking space on the street. If not, the Science Fair will make arrangements for parking at nearby garages and arrange for Shuttle Bus Service from the garages to the Johnson Center.

Further information will be available closer to the Fair date, and we will send you an email as a friendly reminder.
